BRIEF PROFESSIONAL BIOGRAPHY

Dr. Brent J. Oneal is a Licensed Psychologist and Certified Sex Offender Treatment Provider in Washington State. He earned a Ph.D. in Clinical Psychology from Washington State University and completed his internship/residency and post-doctoral fellowship through the University of Washington School of Medicine, with his post-doctoral fellowship emphasis in forensic clinical psychology. He is currently on Clinical Medical Staff in the Department of Psychiatry and Behavioral Sciences at Harborview Medical Center and has Clinical Privileges at Child Study & Treatment Center. Dr. Oneal has over 15 years of direct forensic and clinical experience including specialized forensic psychological evaluation and sexual offense evaluation/treatment. He holds professional memberships in a variety of organizations including the American Psychological Association, American Psychology-Law Society, and the Association for the Treatment of Sexual Abusers; and has served as the Treasurer and on the Board of Directors of the Washington Association for the Treatment of Sexual Abusers. He has published and presented work in the areas of forensic evaluation, risk assessment, developmental psychology, scale development, sexual-offense-specific evaluation and treatment, and medical psychology. Dr. Oneal currently maintains a private practice in Seattle, WA, and specializes in a variety of forensic and clinical activities. In addition, he presently works as a court evaluator through adult inpatient psychiatry at Harborview Medical Center and a contract psychologist for the Washington State Department of Social and Health Services/Division of Vocational Rehabilitation conducting psychological and neuropsychological evaluations.
